To whom so ever it may concern

College of Engineering, Pune, is an autonomous college/ institute of this university. This autonomy is granted under the act of U.G.C. New Delhi and Maharashtra University Act.

Under the autonomy college/institute has to conduct the examinations and declare the results. At the time of final result college issues Passing Certificate to the student.

As and when student will apply for the convocation, degree will be issued by the university after the convocation. Till that passing certificate issued by the college should be considered equivalent to Provisional Degree Certificate.

DIRECTOR,
(Board of Examinations & Evaluation)
